6.2.3 Annual Report on E Governance

1. Introduction:

E-Governance refers to the use of information and communication technologies (ICT) for improving the administration and management of the college. Sant Dnyaneshwar B. Ed College has integrated various e-governance initiatives to enhance transparency, efficiency, and effectiveness in its operations.

2. Objectives of E-Governance Implementation

- To make information easily accessible to stakeholders, reducing the chances of manual errors and fraud.
- To streamline administrative processes, reducing paperwork and processing time.
- To enable better communication between students, faculty, and administrative staff.
- To ensure that all processes comply with governmental and educational regulations.

3. Key Areas of E-Governance Implementation

3.1. Administration

- Implemented an online system for student admissions
- Bio-matric attendance system for faculty, reducing manual errors and improving record-keeping.
- Provided Technical facilities like ICT based teaching facilities
- Wi-Fi facility in the college campus
- Made available well infrastructure facility in the college campus

3.2. Finance and Accounts

- **Online Fee Payment through UPI:** Introduction of an online payment gateway for tuition and other fees, ensuring secure transactions and reducing administrative workload.
- **Financial Management Software:** Deployment of software for managing the college's finances, including budgeting, payroll, and financial reporting.

3.3. Academic Management

- **Examination Management:** At the college level all work done by electronically for this regard in MS-Excel application. Result gets published on University website. The question papers are sent online by the university.

3.4. Student Support Services

- **Grievance Redressal System:** Students can submit grievances through E-mail
- **Counseling and Mentorship:** Virtual counseling sessions and online mentorship programs to support students' academic and personal growth.

3.5. Communication and Collaboration

- Regularly updated website providing information on college activities, events, and announcements.
- A mobile application for students and faculty to access important information, such as timetables, notices, and academic schedules.

4. Training and Capacity Building

- Guided students, faculty and administrative staff for using e-governance tools and software.

5. Achievements and Impact

- Reduction in processing time for admissions, fee payments, and exam results.
- Increased transparency in the admission and examination processes, with clear records accessible to students and staff.
- Attempting to reduce paper usage across the college, contributing to environmental sustainability.
- Improved student satisfaction with faster grievance redressal and easy access to academic resources.

6. Challenges Faced

- Initial difficulties in integrating various software platforms and ensuring seamless operation.
- Need for continuous training to keep faculty and staff updated on new tools and software.
- Occasional issues with internet connectivity, particularly in remote areas, affecting access to online resources.
